

# GLOBAL ENVIRONMENTAL, HEALTH & SAFETY POLICY STATEMENT

**WE AT CAESARSTONE BELIEVE THAT EVERY PERSON HAS THE RIGHT TO A SAFE AND HEALTHY WORK ENVIRONMENT AND THAT INJURIES AND SAFETY INCIDENTS ARE AVOIDABLE.**

Further, we believe that compliance with applicable local and international laws, regulations and standards designed to protect health and safety is fundamental and enhances value for our organization. We are committed ensuring the health and safety of our employees, customers, suppliers, contractors & fabricators. Further, our aim is to protect our environment by process and product monitoring and our aspiration is to reduce energy and recycle water, raw materials and waste. All of these are core values of our company.

## OUR EHS ASPIRATIONS, APPROACH AND COMMITMENTS

- **Enhancing** employees' awareness to company policies & standards.
- **Risk management** of the work environment.
- **Setting and reviewing** environmental, health and safety policies, objectives & targets, and allocating the needed resources to achieve them.
- **Initiating, educating & recognizing** safe behavior and compliance with environmental protection standards.
- **Learning** from incidents and preventing recurrence.
- Creating a work environment that **encourages** personal responsibility and accountability.
- **Encouraging** employees to support our efforts to continually improve health and safety performance.
- **Encouraging employees & Consultation** with them to support our efforts to continually improve health and safety performance
- **Promoting** a pro-active environmental, health and safety culture where our people and partners at all levels work to meet and exceed requirements.
- **Establishing** safety wherever we go as a fundamental Value.

Yos Shiran, CEO
